<b>Berth</b>	4
<b>Length</b>	57ft

**+ 57ft Dutch Barge Style, 2005**

**+ 43Hp Beta with Gen Set**

**HULL:** This unusual dutch barge style narrowboat would make a good live aboard boat. It has a demount-able wheel house. She has a large water tank, and two diesel tanks one for propulsion and one for heating. She has Wesley marine arch topped windows in black and is in burgundy with cream coach lines and a cream roof with burgundy dog boxes. (Paint work in need of attention)  
Height to cabin centre - 6ft 2"

**BERTHS:** 2/4 Berth

**E&OE**

**SALOON:** From the wheel house you enter down steps in to the salon area, on your right is a cupboard housing the inverter and other electrical switches. There is a built in sofa which converts to a bed and a half height television unit forms part of the dinette. To the side is a Firefox, solid fuel stove with 5 KW output. There is a large dinette upholstered in dark red to match the curtains and sofa with a sizable table. There are also two covered radiators. There is a concealed entrance to the kitchen.

**GALLEY:** Re-fitted in 2019 this galley kitchen is modern bright and airy it has high gloss grey/green cupboard doors with black handles and a white marble effect work top. She has a large 1 1/2 bowl stainless steel sink, under the sink is a built in waste bin. There is a stainless steel eye level Thetford Grill and Oven and a Thetford 160 series hob and a microwave. Under the counter is also an Indesit washer/dryer and a shoreline 12v fridge freezer along with a number of storage cupboards.

**BATHROOM:** This walk through bathroom continues with the modern theme, It has stunning ridged tiles in a light colour, a lovely vanity unit a cassette toilet and a quadrant shower with glazed doors. The shower has a thermostatic mixer and is covered in a marble grey wet wall.

**BEDROOM:** Entry to the bedroom is via a small corridor which houses a full height shelved storage cupboard and access to the cassette toilet. The bedroom takes advantage of the Dutch barge style boat and provides a king sized bed which completely fills the width of the boat. Storage areas beyond the bed are hidden by a blind, to the side of the bed is a wardrobe area and under the bed a number of new drawer units have been installed. Curtains similar to the lounge are held away from the portholes by tie backs and two individually switched lights provide ambient lighting. Fresh air and a means of escape is provided by the side doors by the storage cupboard.

**ENGINE AND  
ELECTRICS:**

The boat is powered by a cocooned Beta marine 43 Hp engine with 7kVA travel power. The vertical calorifier is also in the engine bay. Along with 5 leisure batteries and 1 starter battery  
There is a steering wheel in the wheel house which is controlled by a hydraulics. A vetus bow thruster, Victron Phoenix 3Kw inverter charger. Blacked and engine service 2017 . Heating is provided by a Webasto diesel heater and radiators and the s/f stove.

**OTHER  
EQUIPMENT:**

Boat Pole, a Boat hook, 4 x life rings, 2 x 13Kg Gas bottles, Hose pipe and reel, Anchor, Plank, Mooring equipment and tools.
