HULL:

Built by warble boats, this boat has a joshier style bow and sweeping lines towards the rear hatch. She is painted in a grey and blue colour scheme her exceptional built quality shines through on the inside and out for those who take a moment to look a little closer.

Spray foam insulated and fitted in oak with oak trim, tables and steps. The hull has been surveyed and 2 pack epoxy coated in Jan 2020

BERTHS:

2/4 Berth

E&OE

SALOON:

Stepping in through partially glazed front doors in to a light and airy open plan saloon area with two captain's chairs. There is an attractive storage unit with a glazed door and an open space which houses the TV and Hi-Fi unit on the other side is a diesel fired reflex stove set on a raised hearth. The dinette and lounge are divided by a unit comprising of a cupboard, a drawer which pulls out to create a table and a shelving unit.

With an attractively upholstered I shaped area with clever storage under, the raised plinth and the dinette which also has a shelved area with 240V sockets currently housing a Video recorder. Light is provided by large windows and 12v wall and spot lights, there are also a number of 12v and 240V sockets. The floor is covered in a mid oak effect floor which goes through to the end of the galley.

GALLEY:

Set apart from the saloon by an attractive open shelving unit with cupboard and spice drawers. This kitchen has lots of unique features with a solid wood Chopping block and marble slab set in to the tiled top. Below are cupboards and drawers, the corner cupboard having a revolving shelving unit . On the opposite side is a wine rack, 1 1/2 bowl with drainer and a 4 ring gas hob and separate oven and there is a space for a fridge on the bulkhead wall are storage shelves housing a microwave oven. Extra light is provided by a roof hatch.

BATHROOM:

Comprising a shower with thermostatic mixer valve. A small vanity sink unit and matching cupboard on the opposite side and a macerator Toilet. Over the toilet is a large slimline cupboard with mirrored doors.

BEDROOM:

The fixed bed has a pull out section which make to be a standard double some storage is accessible by two drawers at the end of the bed. There is a matching upholstered head-board and post to give a four poster effect. At the end of the bed is a substantial wardrobe with mirrored door on it. With cupboard above and cupboard at the side there is good storage. And a handy drop down shelf has been thoughtfully placed on the cabin side.

ENGINE ROOM & ELECTRICS :

A Beta marine 43 Hp engine with hydraulic drive. There is a Victron combi 3kw inverter with 1 starter battery and 4 domestic batteries.
