**£20,000.00**

**ADDITIONAL INFORMATION**

<b>Style</b>	Cruiser
<b>Berth</b>	2
<b>Length</b>	36ft

BSS to 2024

**HULL:**

Built in 1985 by Harbrough Marine, this little boat has an unusual raised bow deck and a cruiser stern. She is painted in red and grey with back hopper style windows. She has a front headlamp and nav lights on the side and a sturdy handrail along the top.

*She is in need of new deck boards and remedial work to the deck drain channels.*

The hull has been blacked with 2 Pac epoxy and at some point the baseplate has also been done, the sides were last done in 2018 although it is not clear if this is epoxy or normal blacking.

Height to Cabin Centre 6ft 1"

**FIT OUT:**

The ceiling is white planked PVC and walls are wood effect planked PVC, the bathroom has grey marbled wet wall the floor is a painted black wood floor.

**E&OE**
