+ Hull by Colecraft

HULL:

This 45ft semi trad Colecraft hull has a reported thicknesses 8/6/4mm, the last hull survey 2016. She was out of the water and re blacked in Jan of this year and she has 6 anodes fitted in July 2019.

Her livery is a grey roof and dark blue sides. With Cream coach lines with maroon handrail and maroon bow area. She has matching dark blue bow and stern covers.

E&OE

FIT OUT:

Professional fit Out in Oak faced ply below the gunnel, a horizontal tongue and groove above the gunnel and a smooth ceiling with the trademark handmade hardwood beams across the ceiling. There is a mixture of vinyl and carpeted floor throughout the boat.

SALOON:

Entrance through the front is in to the saloon area down on step. To either side of the door are cupboards, one a corner unit with TV above and the other a set of shelves for books maps etc. The two green armchairs chairs also convert to extra sleeping accommodation. To the end of the saloon is a morso squirrel stove set on a hearth with dark green tiles behind. Opposite is a free standing folding table. There are two large windows and for the evening there are a number of attractive wall lights.

GALLEY:

The L shaped galley has a cream tiled worktop with an inset stainless steel sink and drainer set under the window, on the bulkhead to the side is a morco water heater new 2019, and a display shelf. A new Thetford oven/grill and 4 ring hob were also installed in 2019. Under the worktop there is a 12v waeco fridge with icebox. There are a number of bespoke oak units and a drawer. Opposite is a slimline storage cupboard. Heading out of the galley towards the bathroom is a large larder cupboard offering floor to ceiling storage, with several shelves currently inside.

BATHROOM :

Is partially tiled with white tiles and some decorative tiles set in. It has a Traveler dump-through (pump out) toilet next to a vanity unit with wash hand basin set in. Above the sink is an additional storage cupboard with mirrored doors and open shelves. A shower with curtain and a thermostatic mixer. A small window with privacy glass and blind over ensures there is plenty of light in this bathroom.

BEDROOM:

Has a fixed double with Shelf and reading lights over. There is storage under the bed accessed through lift up panels and a small wardrobe at the foot of the bed. With decorative shelving attached. There is also access to the rear of the boat through a side door.

ENGINE ROOM & ELECTRICS

Under the semi trad area is set the engine, a Thornycroft T80 diesel engine built in 1990, last serviced in July 2019. she has a PRM 150 gearbox attached and a 95amp alternator. There is 1 starter battery and three domestic batteries attached to a Phonix 12v/800W inverter, there are also two solar panels with management system, fitted 2019 (2 x 115W).

OTHER EQUIPMENT:

2 x 13kg gas bottles, 3 fire extinguishers and a fire blanket. A pole and plank. Mooring Equipment.
