HULL:

Honey B was built in 2004. She was last blacked in August 2022, at which time 8 anodes were also fitted. Blue panels on a green background with yellow coachlines create an appealing exterior. With a spotless engine bay, a generator, solar panels and washing machine, she is very well equipped for long-term cruising. A side hatch, hopper style windows and brass portholes at the rear let in lots of light to compliment the warm and inviting interior.

Height to Cabin Centre 6ft 5" (1.95m)

SALOON: (9ft 0" / 2,75m)

The saloon features carpet tiles which continue throughout the boat. There are 2 free-standing chairs, a 22" TV, a DVD/CD player, plus a Morso Squirrel multi-fuel stove. The front doors open onto the well deck (3ft 8" / 1,15m) with a cratch cover and wooden cratch board with opening glazed inserts.
