NB Kia Tak (57ft/17.38m)

BSS to Jan 2024

HULL:

Built in 2005 this hull declared thickness at built of 10/6/5/4mm has a modern look to her with her nice shaped bow and black and silver colour scheme, with silver rounded windows she looks very smart and is bound to turn heads, she has grey and cream coach lines and a cream roof. With a semi trad stern. She has a forward cratch with grey boards and black cover and a rear black pram cover covers the semi trad.

She has a s/steel water tank. She was last blacked and had 6 anodes fitted in Jan of 2020.

Height to Cabin Centre 6ft 5" (2m)

BERTHS: 4 Berth

FIT OUT :

She is assumed to be spray foam insulated and is lined in light oak panels with light oak trim ,

E&OE

the floor is fitted with carpet and there is a varnished wooden plank floor in the galley.

SALOON (19.6ft/6m):

Entrance in is down two steps which are flanked by two full height storage cupboards, in front of these are the corner solid fuel stove to one side, and to the other is a corner unit with glass display cabinet and a wall mounted TV along with open shelves to the side. There is a very large saloon with some free standing furniture, towards the end is an L shaped dinette with a free standing table and extra fold up chairs, which gives many choices when it comes to seating. The dinette is upholstered in a burnt orange coloured fabric and it can be converted to a sleeping area as well as having a storage area under.

GALLEY (7.5ft/2.23m):

The U shaped galley is well equipped with a full sized gas cooker with 4 burners an oven and grill. There is a round stainless steel sink and drainer and a 12v undercounter 12v fridge new in 2016. There are a number of under counter units and a light formica worktop with green and cream tiled splashback a lift up flap gives extra work space and there are a couple of small cupboards on the wall. Opposite is a small set of side doors and there is a large pantry style cupboard in the corridor.

BATHROOM (3.4ft/1.06m, excluding shower):

This well proportioned bathroom has a shower with glazed door, a thetford cassette with 4 cassettes a vanity unit with basin, and a small mirrored medicine cabinet above, there are several lights and an extractor fan.

BEDROOM (9.8ft/3m):

Has a fixed double with pull out extension which makes it to a full sized double there is a shelf over the bed with reading lights, at the foot of the bed is a small unit with drawers and a full height hanging wardrobe along with three steps up to the rear of the boat. Which has a semi trad style area covered with a canvas cover.

ENGINE ROOM & ELECTRICS:

The Semi-trad stern area houses a Beta 38 with a reported running hours of 6420 and a PRM 150 gearbox. She has twin alternators with a land line connection with a galvanic isolator

supplying 1 starter and 4 domestic batteries. There is a Victron inverter/battery charger with an output of 3KW. Heating is provided by a webasto diesel boiler with fin rad running throughout the length of the boat and a towel rail. There is also a vetus electric bow thruster
