

NB KINGFISHER

£29,950.00

ADDITIONAL INFORMATION

Style	Traditional
Berth	2/6
Length	52ft

HULL:

Built in 1997 by heron boats this Trad boat has nice detailing on the top hand rails. She is painted in red and green. Height to Cabin Centre 6ft 3" (1.93m)

FIT OUT:

Fitted out by Heron boats believed to be as a share boat she offers great versatility to a potential owner , with a saloon area dinette and separate sleeping area, despite her relatively small size. She is finished in oak faced boards with oak trim. Most of the soft furnishings will need to be replaced however this gives a great opportunity for the new owner to put their own style on things. The current owner has replaced the floor covering pre sale.

SALOON (9.5ft/2.9m):

Entrance is down a wide step in to the saloon area, there are banquet seats to both sides, beyond are a number of storage shelves, There is a solid fuel stove set on a tiled hearth.

E&OE

GALLEY (7ft/2.1m):

Beyond the saloon is an L shape galley with dresser style unit opposite, housing the fridge and providing extra work space along with storage shelves. The L shaped part of the galley has a white 1 1/2 bowl sink and a 4 ring hob with sperate vanette oven, they are set in a pale grey specked work top while a number of bespoke cupboards are underneath. The galley is separated from the Pullman dinette by an open shelving unit, opposite which are the side doors.

DINETTE (6ft 2"/1.88m):

This Pullman style raised dinette converts to an occasional bed.

BATHROOM (4ft 5"/1.4m):

Set to the side is the bathroom comprising of a small bath with shower over, a vanity unit with sink and a cassette toilet.

BEDROOM (6ft 6"/2.2m):

Houses a fixed double bed with storage cupboards over the length of the bed at the foot of the bed is a small wardrobe.

ENGINE ROOM & ELECTRICS :

Lister Petter LSWR3 (27hp) with a reported running hours of 7500, it has a PRM delta gearbox new in 2018. It has 1 starter and 3 domestic batteries, there is an inverter but it is report to be non working.

Heating is via a S/F stove and a diesel heater with radiators. (It is reported that the diesel heater has been fitted but not commissioned therefore it is assumed to be not working, this is reflected in the price)

OTHER EQUIPMENT:

Fenders, 2 x13 kg gas bottles, Anchor, water hose with reel, Stove Fan, Solar panels.
