+ 55ft Cruiser 1991

+ Hull by Pat Buckle

HULL:

This cruiser style boat has a steel taff rail and steerer's bench with two aft deck timber topped gas lockers all covered with a window pram cover. The bow also has a blue canvas cover fitted on an aluminium frame. She is painted in maroon and blue with black roof handrails and cream coachlines. We are advised that she has a 150 gal water tank (re-coated 2017) and a 40 gal fuel tank. She is fitted with Fireproof polystyrene insulation. Pine T & G on the upper sides and painted lower sides. The floor is Camaro White Limed Oak Flooring throughout (fitted Dec '13) and many of the windows have roller blinds.

BSS Certificate till September 2021 and hull survey completed July 2017. Headroom height is 6'3" in the centre.
