NB Melita 30ft /9.15m

BSS to September 2026

HULL:

Built in 1985 by Delph Marine this cruiser sterned little boat has a good sized rear deck for her size. She was repainted by Dave Bishop in 2012 in sage green with dark green, red hand rails and cream coach lines. She was last surveyed in July 2021.

Height to Cabin Centre 6.16ft" (1.88m)

FIT OUT:

She is lined with pine tongue and groove and has a white painted ceiling with dark wood strips, her floor is laid to carpet tiles.

SALOON (13.4ft/4.1m):

Entrance is down a number of steps from the rear deck, some being in the rear deck and others continue through the door. The rear door is a stable type. There is one open space divided in to several areas the first as you enter is the bathroom enclosed by a door. The remainder is laid to an L shaped dinette (Which converts to a double) with free standing table, and large open

E&OE

shelves on the bulkhead behind. A galley kitchen and a single dinette.

The galley comprises of a half size oven with 2 burner hob, a 12v Shoreline fridge, with worktop over and open storage shelves above and a stainless steel sink with drainer.

There is a Morco gas hot water boiler for hot water and a gas heater for warmth in the cabin. There is a full height wardrobe at the end of the galley before the doors to the bow. Opposite is the single dinette with small table which also converts to a single bed.

BATHROOM (3.6ft/1.1m):

The bathroom consists of an open shower, a Porta Potti toilet, a lift up sink with mirror above. The wall are lined with linoleum while the floor is in a vinyl speck. Light and ventilation are provided by a good sized window.

ENGINE & ELECTRICS (Rear deck 5.5ft/1.7m)

Under the rear deck is a BUKH DV10 engine 10HP. She was last serviced in June 2021 She has 1 starter and 1 domestic battery with a landline connection and a galvanic isolator and she has a battery charger(25amp).

Hot water is provided by a gas Morco on demand water heater and there is a cabin gas heater. There is an Eberspaecher diesel fired warm air heater but this is declared as NOT working.

OTHER EQUIPMENT:

1 x 13kg gas, mooring equipment, Mains tubular heater.
