

NB MERLIN

£29,500.00

ADDITIONAL INFORMATION

Style	Cruiser
Berth	8
Length	60ft

HULL:

Built for Clubline Cruisers in 1990 this boat was a hire boat in its previous life hence the large open cruiser style stern. She has been regularly surveyed throughout her life and in April 2014 by Trevor Whitling she was found to be in need of a new based plate and other steel work all of which was carried out. She is has now had a New hull survey a copy of which can be viewed in the office. She has a steel water tank of approx 150 gal and a diesel tank of 50 Gallons.

FIT OUT :

She is insulated with rockwool and lined out with Pine tongue and groove on the upper walls and ceiling. The floor is laid to light oak laminate. Her fit out is fairly standard in line with an hire boat with plenty of beds onboard, which could be great for a larger family , there are two bunk beds at the front, 2 conversion dinettes and a conversion double berth at the back. The galley is placed centrally in the boat, as is the s/f stove which could allow her to be converted to a reverse layout or she could be kept as a more traditional layout.

Height to Cabin Centre 6ft (1.85m)

E&OE

BERTHS: 8 Berth

BATHROOM :

There are two bathrooms onboard one is a cross bathroom with hip bath on one side and dump though toilet on the other. The other bathroom has a Porta Potti with sink.

ENGINE ROOM & ELECTRICS :

She has a 1800cc 1993 ford engine last serviced June 2020 with a PRM 150 gearbox, she has 1 starter and 3 domestic batteries she has 2 landline connections with a galvanic isolator and a battery management system. Hot water and heating are provided by an Alde gas boiler located in the stern.

OTHER EQUIPMENT: -

2x13kg gas bottles, 4 x fire extinguishers and a fire blanket, mooring equipment. Water hose and reel, life ring, Solar panels.
