BSS to March 2021

HULL:

The cruiser style boat was built in 1990 by Mirfield boatyard. This quaint boat could make an excellent weekend retreat with large open stern deck with pram cover over. With steel taff rail round the rear and forwards and reverse controls to the side. Space is saved by having a very small enclosed bow area. Painted in a dark red with cream roof, with green panels and matching green handrails, tiller and gas lockers.

BERTHS: 2 Berth

SALOON/BEDROOM :

The bow of the boat has a large window and no door this seating area converts to a large double, the cushions are covered in a tapestry effect material, heat is provided by a very small solid fuel stove. Set on a raised hearth and surrounded by tiles. There is a small low level cupboard with shelves above and a large wardrobe with hanging rail beside it.

E&OE

GALLEY :

A Panther stainless steel gas cooker with two rings, grill and oven. A sink/drain unit with glass lid and a morco gas water heater. A cupboard under and a couple of display shelves on the wall above.

W/C:

Porta Potti Elegance with curtain screen. .

ENGINE ROOM & ELECTRICS :

A Beta marine raw water cooled 2 cylinder engine. One starter battery and two leisure batteries . A shore line socket with changeover switch and Skytronic Inverter a number of double sockets.

OTHER EQUIPMENT :

2x 6Kg gas bottles, Life ring, mooring equipment.
