**HULL:**

This 42ft Liverpool cruiser style hull is newly painted in green with red coach lines and a red grab rail. There is a roomy cruiser stern with an external step making access in to the boat easier. A large storage locker and an enclosed engine panel.

In the bow there is access to the gas locker, below the front deck is an integrated water tank of aprox 682Ltr, (150 Gall). The front deck has a cratch cover and two lockers/seats along with storage for the anchor. The boat has been professionally fitted out by Liverpool boats fitted out in oak with dark wood trim.

In 2015 when the repaint was carried out the deck boards were also replaced and sound proofing added, the gas locker was repainted and the brass mushroom vents were lacquered.

Height to cabin centre 6ft 4" (1.93M)
