BSS to March 2027

HULL:

Built in 2007 by Northwich boats, this boat has been cared for by the same owner throughout her life. She was originally built of 10/6/5/4mm steel, in 2019 and had a new rudder cup and swan neck, at this time she was also blacked and has 6 anodes in total 3 on each side.

She is painted in two tones of blue and has a red handrail with matching sign writing.

Height to Cabin Centre 6.6ft (2.03m)

Fit Out :

She is insulated and lined in a light oak veneer with light oak trims, the floor is laid to carpet with a wood floor in the galley. The curtains are a self patterned light cream.

Saloon (18ft/5.5m):

The large saloon area is set to free standing furniture, having a double sofa bed and two free standing chairs. The front doors are wooden partially glazed with steps leading down in to the

E&OE

saloon, flanked by two tall storage cupboards. There is a solid fuel stove set on a tiled hearth to one side and a storage cupboard on the other with small open shelves adjacent. Large windows and the high ceiling add to the spacious feel of this boat.

Galley (7.54ft/2.3m):

The compact U shaped galley contains a stainless steel sink with drainer. A stoves cooker with 4 ring hob and a 12V LEC fridge. There is plumbing for a washing machine if required, there are a number of bespoke base units and drawers with a cream worktop and tiled cream and blue splash back, on the bulkhead wall is a glazed cabinet with hooks below for utensils and pots. While on the side wall is another small cupboard for cups etc. in the corridor beyond the galley is a floor to ceiling storage cupboard, which could be used for food storage or extra storage for clothing. On the other side are a set of side doors, with a pull down fly screen type blind.

Bathroom (3.6ft/1.10m, excluding shower) :

Contains a vetus macerator toilet, a large shower lined with a wet wall type material and a vanity unit with handbasin. There is a porthole and an extractor fan.

Bedroom (8.69ft/2.65m) :

Entered through a door is the bedroom it has a fixed double berth with storage below and a shelf above with reading lights. At the end of the bed is a full height mirrored cupboard to one side and two smaller units on the other which again reach the ceiling. There is a curtain before the steps which contain the engine, these large steps are flanked by storage cupboards on the one side.

Engine Room & Electrics:

The engine room houses a beta 38 engine with a declared running hours of 3000h (last serviced June 23) it has a newage 120D2 gearbox and a water lubricated stern gland. For power there is a land line, a 3kw inverter and a power master engine run super alternator with an output of 3KW, she has 1 starter and 4 domestic batteries.

Heating and hot water are provided by a diesel heater with radiators along with the separate S/F stove.

Other Equipment :

Vacuum Cleaner, Waterways guides, Hair Dryer, Camping chairs, Anchor, mooring equipment, A selection of boat spares.
