Stella (45ft/13.72m)

BSS to June 2024

HULL:

Originally built in 2000 this cruiser style boat has a large rear deck, covered with a pram hood, creating a large usable outside space no matter what the weather. The bow of the boat is enclosed which creates a large usable cabin space despite to overall length of the boat, she is painted in dark blue, with a dark blue handrail and silver hopper style windows and chrome mushroom vents.

Height to Cabin Centre 6ft 2" 1.90m (aprox)

BERTHS: 2 Berth

FIT OUT :

She has been rock wool insulated and lined out with oak faced ply the floor is laid to carpet in

E&OE

the Salon and Bedroom with Vinyl in the galley and bathroom. This compact reverse layout boat makes a great boat.

SALOON (9.2ft/2.83m): Entrance is down a couple of steps, on your left is a number of shelves housing the radio and TV with DVD/Blu-ray player, on the opposite side are cupboards housing the electrics and mooring equipment. There are two free standing captains chairs and a solid fuel stove set on a grey tiled hearth. Two large windows give a light and airy feel.

GALLEY (7.87ft/2.4m):

This unusual shaped galley provides you with all you require in a very compact area and the multi-coloured mosaic tiles add an attractive splash of colour. Set on an angle is the vannette 4 burner gas hob with oven and grill below under the window is a stainless steel sink and drainer with cupboards below, these currently house a small freezer whilst the bulk head wall houses the fridge under a section of worktop and wall mounted units provide storage and housing for the Russell Hobs microwave.

BATHROOM (3.9ft/1.2m, excluding shower):

The bathroom is entered by a sliding door it has a hip bath with a shower over there is a large vanity unit housing the sink and a Mansfield traveller dump through toilet.

BEDROOM (10.17ft/3.1m):

In the bow of the boat is the bedroom which is a good size considering the length of the boat, as you enter to the left is a set of side doors with a large wardrobe and under the bed is more storage in the form of drawers as the bed is in the bow of the boat it is more king size in dimension although it tapers towards the head. Over the bed are a number of useful shelves and wall mounted reading lights.

ENGINE ROOM & ELECTRICS :

Under the stern deck is a Beta marine engine with a PRM delta 120 gearbox, it has a stern greaser. She has a 1.6kw Victron inverter charger. With 1 starter battery and 4 domestic batteries.

Heating is provided by a diesel fired boiler with radiators there is also a solid fuel stove with back boiler.

OTHER EQUIPMENT: -

2x13kg gas bottles, 3 x fire extinguishers and a fire blanket, mooring equipment.
