ADDITIONAL INFORMATION

Berth 2/4

Length

HULL:

Built by Reeves in 2000 with an original thickness of 10/6/4 she has an attractive colour scheme in light and dark blue which was repainted in 2013 by Dave Bishop. She was last blacked in march 2021 an has 4 anodes fitted. The bow is open but has a canvas cover and the stern is cruiser style with a generous deck for most families.

Height to Cabin Centre 6ft 3" (1.93m)

FIT OUT:

She is spray foam insulated and is lined in oak ply with red cherry trim, the floors are laid to vinal with rugs. She has a simple clean uncluttered feel to her, to be enjoyed as she is or can be easily personalised.

SALOON (10ft 5"/3.20m):

From the glazed doors on the bow is a step down in to the saloon, either side is flanked by a corner cupboard with door, the remainder of the area is set to free standing modern arm chairs. The half height bulk head has a set of open shelves on it.

E&OE

Dinette (6ft 5"/2m)

The pullman dinette is covered in a light blue grey material it has a demountable table, storage under the seats and the capability to be converted to a bed.

GALLEY (7ft 6"/2.3m):

The U shaped galley is divided by a ceiling mounted cupboard, there is a good size of counter top, with small upstand finished with decorative wood. Under the countertop is a number of bespoke cupboards and drawers. Under the window is a white sink and drainer while to one side is a vanette Oven and grill and separate 4 ring hob. On the other side is a shoreline 12v Fridge. Opposite the galley is a set of side doors with a slimline cupboard under.

BATHROOM (6ft 5"/2m):

Set in a side cabin is the bathroom it comprises of a quadrant shower with glazed door, the wall of the shower is covered in white sparkle wet wall. It has a thermostatic mixer tap.

There is a cassette toilet and vanity unit with basin, it has a mirrored cabinet above the basin. Light comes in from a port hole, under which is a heated towel rail.

BEDROOM (9ft 5"/2.92m):

There is a in line fixed double bed with cupboards above.

At the foot of the bed is a full height wardrobe and another cupboard, on one side of the steps, while on the other is a small shelf with mirror above followed by another cupboard which flanks the rear steps out on to the deck.

ENGINE ROOM & ELECTRICS

Below the rear deck boards sits the Barrus Shire Engine with a declared running hours of 8,000. She was last serviced in March 2023 and it is connected to a Newage PRM gearbox.

There is a land line connection, along with 1 starter and 3 domestic batteries.

Heating is provided by an Eberspaecher diesel heater with radiators and a calorifier for hot water.
